Backlink Audit Report — Pre-Index Analysis

Generated: 22-01-2026 16:47

Legend
Follow type: dofollow = passes authority · nofollow = limited authority · no link = backlink not found · error = page could not be fetched
Indexing recommendation: Index = keep · Noindex = keep but don't count · Consider disavow = high risk / policy risk
Note: Risk label reflects *content safety* (adult/gambling/drugs). Toxic score reflects *SEO risk* (0 good → 100 extremely bad).
Decision logic: No backlink or errors → Noindex. Spam/manipulation signals → Consider disavow. Content risk alone → Usually Noindex. Clean real links → Index.
